DETAILED ACTION

Claim Rejections - 35 USC § 112

1. Claims 1, 2, 4, 10, 11 and 18 are finally rejected under 35 U.S.C. 112, first paragraph, as failing to comply with the written description requirement. The claim(s) contains subject matter which was not described in the specification in such a way as to reasonably convey to one skilled in the relevant art that the inventor(s), at the time the application was filed, had possession of the claimed invention.

There is no support in the originally filed application for “an imaginary line representing an innermost portion of the nail-head receiving recess surface” as now recited in claims 1 and 10, thus this limitation is new matter.

2. Normally a claim which fails to comply with the first and/or second paragraph of § 112 will not be analyzed as to whether it is patentable over the prior art since to do so would of necessity require speculation with regard to the metes and bounds of the claimed subject matter, **In re Steele**, 308 F.2d 859, 862-63, 134 USPQ 292, (CCPA 1962) and **In re Wilson**, 424 F.2d 1382, 1385, 496 USPQ 494, 496 (CCPA 1970).

Allowable Subject Matter

3. Claims 5-9 and 13-17 are allowed.

Response to Arguments

4. Applicant's arguments with respect to claims 1, 2, 4, 10, 11 and 18 have been considered but are moot in view of the new ground(s) of rejection.

There is no mention in the original specification or claims nor a showing in the original drawings of any “imaginary line” as now claimed in claims 1 and 10.

Art Unit: 3723

Therefore it cannot be determined what applicant is attempting to claim. The limitation is clearly new matter.

Conclusion

5. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
